

Seasonal Lifeguard

Kids Cancer Care

The Kids Cancer Care Foundation of Alberta is passionately dedicated to helping young people affected by cancer and their families survive and thrive in body, mind and spirit. With a vision of providing *a cure for every child and care for every family*, Kids Cancer Care strives to end childhood cancer, while easing the pain and suffering of the disease through three essential program areas: 1. Camp and Outreach; 2. Research and Hospital; and 3. Education Support and Scholarships.

At Kids Cancer Care, we consider it an honour and privilege to do the work we do. We get to help deserving children and families and we get to see our community at its finest — volunteering, donating, hosting fundraisers and helping others.

We love our work, and we love the children and families we serve. We take our jobs seriously, but we don't take ourselves too seriously. We pride ourselves on having a fun, vibrant and sometimes quirky team that works, laughs, cries, eats, plays and celebrates together.

We value different perspectives and innovative thinking. We like to surround ourselves with creative, kind and passionate people and we encourage all qualified persons of any ability, gender, ethnic background or origin to apply. We believe in the power of diversity and are dedicated to creating a diverse, equitable and inclusive environment. We ensure equal opportunity for all applicants and encourage people of all visible minorities to apply.

Kids Cancer Care is a dog-friendly place. There may be dogs in the office and at Camp Kindle.
